

Federal Remedies 2012

The New York State Department of Health recommends Federal remedies for facilities that are cited with Immediate Jeopardy and/or Substandard Quality of Care (IJ/SQC), or repeat deficiencies (GG, harm levels). The Center for Medicare and Medicaid Services (CMS) may impose these remedies: Civil Money Penalty (CMP); State Monitoring (MON); Directed Plan of Correction (DPOC); Directed Inservice (DI); and Denial of Payment for New Admissions (DOPNA). Compliance with all State and Federal program requirements is necessary for continued participation in the Medicare and Medicaid programs.
